Dear Board Members,

On behalf of CEWA and all Staff and students at Christ the King Catholic School, I would like to table a letter of appreciation and thanks for the outstanding leadership, management and organisation demonstrated by the CEO Nathan Mc Ivor and the board members in mitigating and managing the COVID outbreak in this community. It was inevitable that COVID would find its way to our remote Kimberley region, but due to responsible and thorough COVID planning strategies, a successful drive to make sure the community was highly vaccinated, and strong decision making, we as a community have been able to ward off more the serious outcome that might have been for many of our community members.

It is very reassuring to know that our community leadership is authentic in its decision-making processes, in keeping the needs and care of all in our community as its primary focus.

Congratulations and God bless.

Kind Regards

Miss Sharon Le Ray

Principal
